

**SCUOLA DELL'INFANZIA**

**VIA "CIRO MENOTTI" COME TOKYO,**

**LONDRA E PARIGI... CON YAYOI**

**KUSAMA!**

**Carnevale, la scuola dell'infanzia di Via Ciro Menotti si veste di POIS: un turbinio di pallini colorati rallegrano gli ambienti ed ispirano le creazioni artistiche dei bambini.**

**Nell'ambito delle attività didattiche relative al periodo di Carnevale, ci si è lasciati ispirare dalle opere di questa straordinaria artista contemporanea giapponese: YAYOI KUSAMA.**

**Dal Giappone arriva a New York, per poi portare le sue opere in tutto il mondo: un percorso di sofferenza e di riscatto, che trova nell'arte "la sua medicina". *"La nostra terra è solo un pois tra un milione di stelle nel cosmo. I pois sono una via per l'infinito. Quando cancelliamo la natura e il nostro corpo con i pois, diventiamo parte dell'unità del nostro ambiente"* (Yayoi Kusama)**

**Gli iconici pois, recentemente, hanno portato l'artista nipponica a essere modello anche per le collezioni di Louis Vuitton nel mondo.**

**Come i pois, per Yayoi, sono una via per l'infinito, così per noi e per i nostri bambini sono stati l'input per accendere e scatenare la fantasia e la creatività, per vivere e sperimentare "infinite" esperienze di gioco con i colori.**

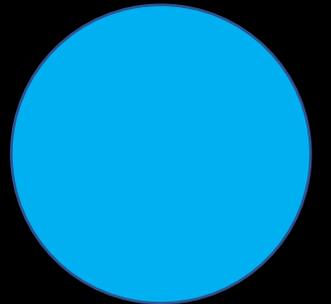

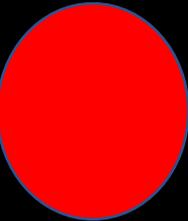

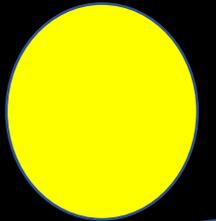

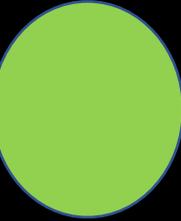

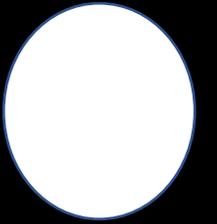

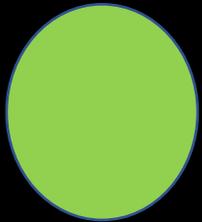

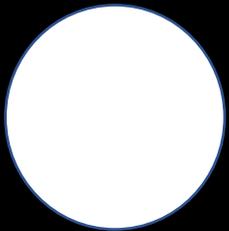

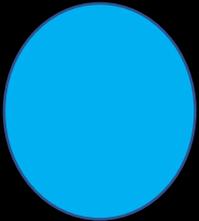

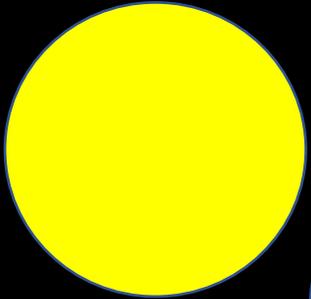

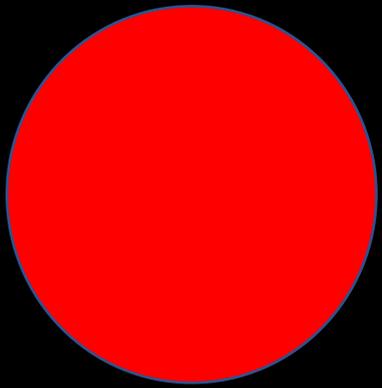

**In preparazione alla festa del Giovedì Grasso, ai bambini è stata presentata l'artista, la sua storia, le sue opere e ognuno ha rappresentato la "propria" Yayoi.**

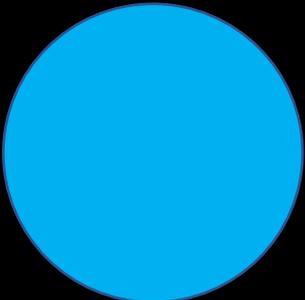

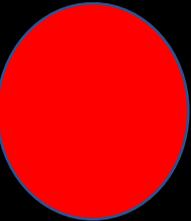

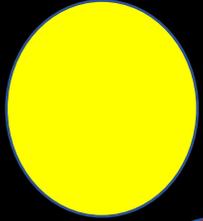

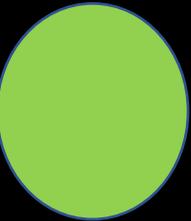

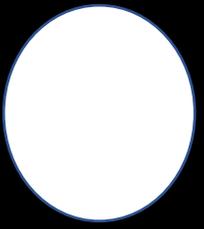

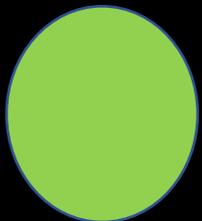

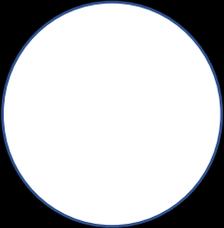

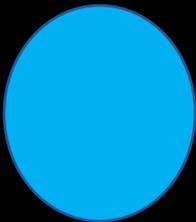

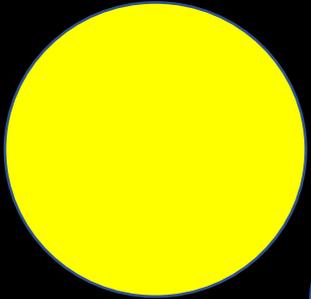

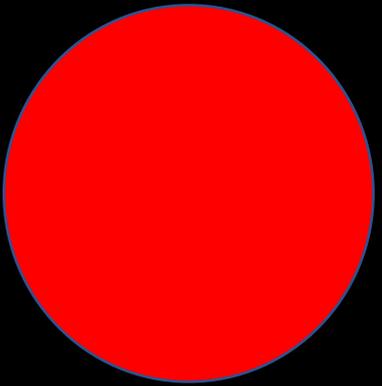

**Successivamente, è stata ricreata la sagoma dell'artista, decorato l'ingresso e il salone della scuola con pois di colori e grandezze diverse.**

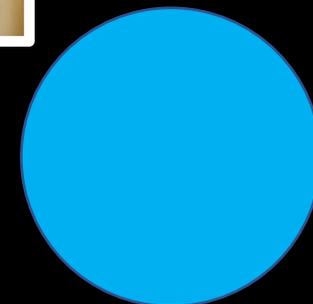

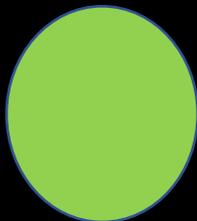

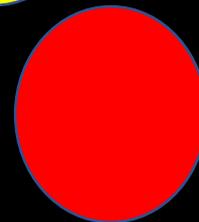

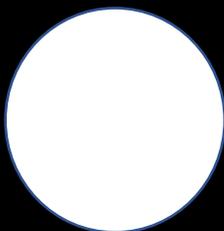

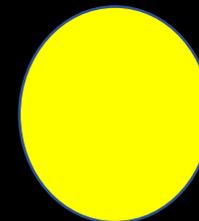

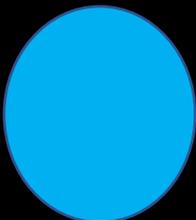

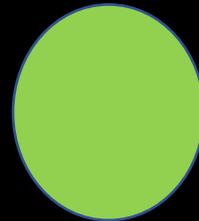

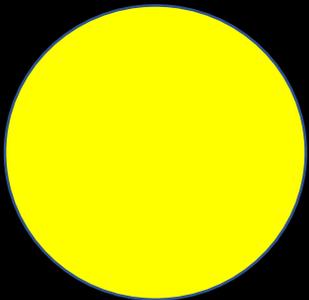

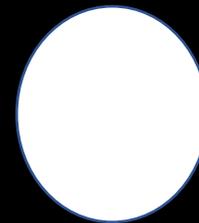

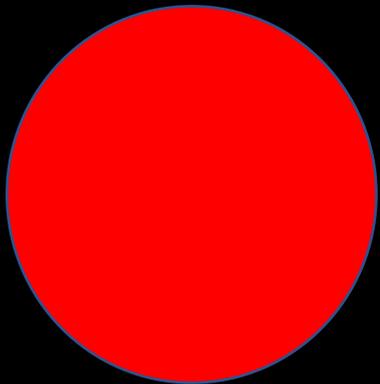

**Per la festa, i bambini hanno realizzato e indossato la propria maschera ispirata alle opere di Yayoi.**

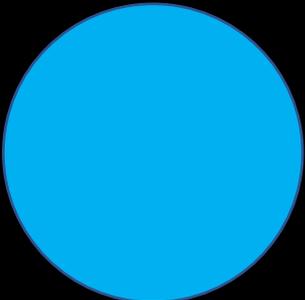

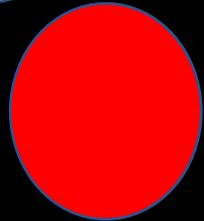

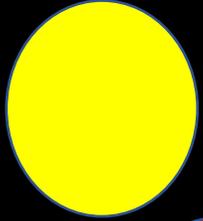

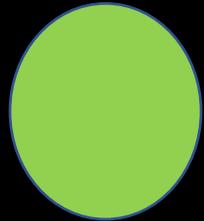

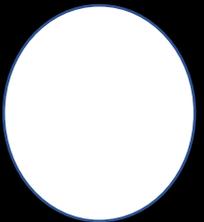

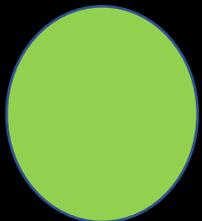

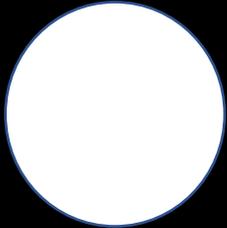

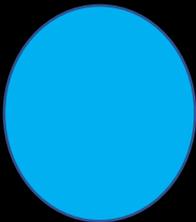

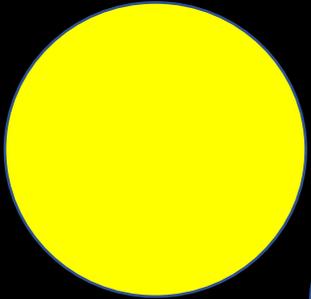

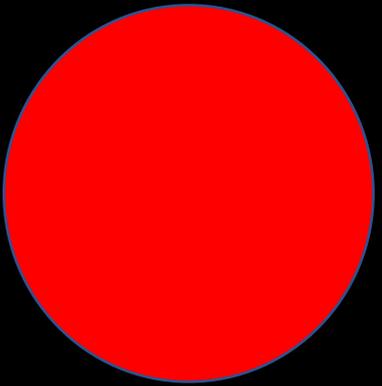

**Anche le insegnanti hanno impersonato l'artista, indossando l'inconfondibile parrucca rossa.**

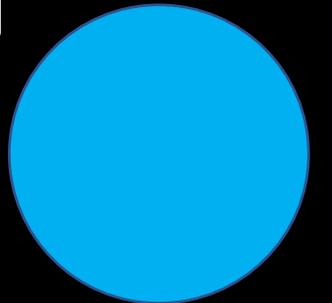

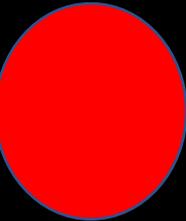

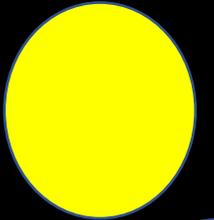

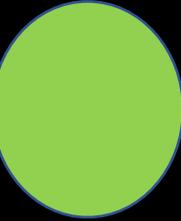

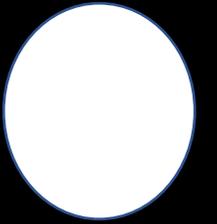

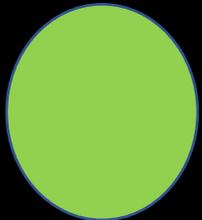

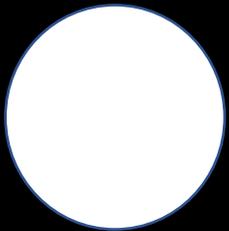

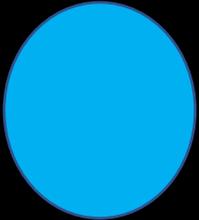

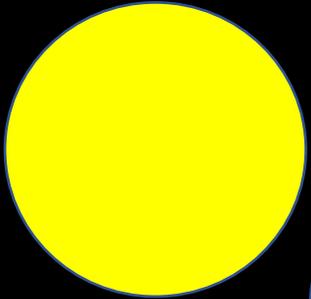

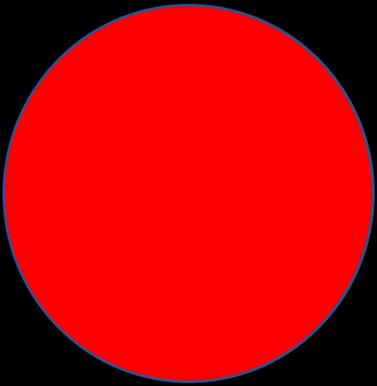

**I festeggiamenti non potevano concludersi senza far conoscere questa meravigliosa artista alla cittadinanza: come a Tokyo, Londra e Parigi anche a Civitanova Marche Yayoi è "comparsa" sulle pareti della Scuola dell'Infanzia "La Conchiglia", di Via Ciro Menotti, circondata dai suoi inconfondibili pois colorati.**
